Compass Guide *Scripture & Questions*

Monday

Scripture: Romans 12:3-8

Question: Paul tells us that we all form the body of Christ, utilizing our different gifts. But he also tells us that we belong to each other. How have you seen this portrayed at Journey of Hope?

Tuesday

Scripture: Ephesians 4:4-6

Question: In our passage from today, we heard that there is one body and one Spirit. This combines the two into one. When was the last time you felt your body and spirit connected? Can you describe that time?

Wednesday

Scripture: Ephesians 4:11-16

Question: When you hear the phrase “speaking the truth in love,” what comes to mind? How can you be sure to speak truth in love and not how we have seen it in society?

Thursday

Scripture: Acts 2:42-47

Question: Whether you worship online or in person, we need to be together regularly. How can you more fully engage with others on Sunday mornings and throughout the week?

Friday

Scripture: Revelation 3:14-22

Question: God desires the Church to be passionate and missional. The letter to the church in Laodicea is one of discipline. Would God share those words with Journey of Hope? If so, why do you think that?

Saturday

Scripture: Ephesians 2:19-22

Question: When we merged in 2020, we used the passage Ephesians 2:19 as a foundational passage. Can you truly say that we have lived into this passage for Journey of Hope? Why or why not?
