Compass Guide
Scripture & Questions

Monday

Scripture: Luke 8:1-3

Question: Jesus did a lot of traveling, and ministry certainly happened during those times. As our series focuses on these times, when have you experienced something dramatic while to you were traveling?

Tuesday

Scripture: Luke 8:22-25

Question: Jesus was napping during a storm which frightened the disciples. Have you ever had a time when you felt so at ease during a difficult time, even though others were not?

Wednesday

Scripture: Romans 8:33-39

Question: Reflect back on a time when you faced a major 'storm' in your life. How did you feel? Did you sense the closeness of God at that moment? Did you remember this passage from Romans 8:39?

Thursday

Scripture: 2 Corinthians 4:7-10

Question: How can you remind yourself for the next time you face difficulties of our passage from 2 Corinthians this morning? Is there a mnemonic device that you can apply?

Friday

Scripture: Matthew 15:22-33

Question: Sometimes, in the midst of our storms, we take our eyes off Jesus, focusing more on the storm. In our passage from this morning, we hear Jesus telling Peter not to doubt, but to have faith. Can you remember a time when you focused more on the storm than on Jesus and your faith?

Saturday

Scripture: Romans 5:1-5

Question: During your life you have faced many storms, can you honestly say that those times have produced more hope in your life? Why or why not?
