## ***Compass Guide*** ***Scripture & Questions***

### **Monday**

Scripture: Luke 5:1-11

Question: Peter left everything behind to follow Jesus. Have you left everything “behind” or are you still holding on to something which might be hindering your relationship with Jesus?

### **Tuesday**

Scripture: John 21:1-19

Question: Peter decided to go back to something that he thought he knew all about only to return not having caught a single fish. Have you ever been deceived about things you thought you knew well?

### **Wednesday**

Scripture: Matthew 16:13-20

Question: Who do you say that Jesus is? Does your answer differ when people in the church ask you versus those in the world around you? Why or why not?

### **Thursday**

Scripture: Mark 14:66-72

Question: The story of Peter’s denial of Jesus could easily be considered his greatest failure, something Peter would have wanted to forget. Have you ever done or said something that you wanted to forget? What has held you back?

### **Friday**

Scripture: Acts 3:1-10

Question: There are many times when we are faced with someone who needs help. I wonder if you’ve ever felt like you couldn’t help someone financially and therefore, thought you had nothing to offer. What does our passage from Acts tell you today?

### **Saturday**

Scripture: 1 Peter 5:1-11

Question: Peter reminds us that we, as the church, should watch over one another in love, and we should also serve each other. What can you do this week to serve your brothers and sisters at Journey of Hope?
