***Compass Guide***  
***Scripture & Questions***

**Monday**

Scripture: Revelation 3:7-22

Question: In one of the letters written to 7 churches in Revelation, Jesus says that the name of God will be written on them. If people looked at you today, whose name would they say is written on you?

**Tuesday**

Scripture: Luke 10:1-20

Question: Even in the midst of the power the Holy Spirit gives, we are to focus our joy in the fact of who we are. Do you have trouble celebrating who you are versus what you are able to do? Why?

**Wednesday**

Scripture: Acts 11:19-30

Question: Barnabas and Saul were together in Antioch, building the church and making disciples of Jesus. This is where the people became known as Christians. Can you think of when you first took that name for yourself? How did you feel about it?

**Thursday**

Scripture: Matthew 18:10-20

Question: In Toy Story 2, Buzz finds himself going all the way to Al's Toy Barn to rescue Woody. How far did God need to go in order to rescue you?

**Friday**

Scripture: Galatians 6:1-10

Question: Woody needed to be reminded that he was a toy in the second Toy Story, that his place was to make kids happy by being there for them to play with. This was "doing good." How are you created to "do good" in your life today?

**Saturday**

Scripture: Hebrews 8:1-13

Question: If God's name is inscribed on you, how can you live your life exemplifying God's seal on your life?
