Compass Guide
Scripture & Questions

Monday

Scripture: Jeremiah 18:1-4

Question: Have you ever felt the urge to go somewhere to receive a message from God? Where was it, and did you receive the message?

Tuesday

Scripture: Jeremiah 18:5-12

Question: Every day we are molded a little more by God into the design God has for our lives. Can you think of an area that you need a little work on, maybe a little more of God's special touch?

Wednesday

Scripture: Psalm 139:1-6

Question: If God knows what is on our hearts and knows the words we will speak before we even speak them, do we really need to pray the words? Won't God already know?

Thursday

Scripture: Psalm 139:13-18

Question: When was the last time you truly felt like you were "fearfully and wonderfully made?"

Friday

Scripture: Ephesians 2:4-10

Question: Just as the potter forms the clay, God forms us in God's image. We are God's masterpiece. How do you view yourself today?

Saturday

Scripture: Genesis 18:23-26

Question: Does God change God's mind? Can God be persuaded to show mercy? Maybe we should re-read the passage from this morning and Jeremiah 18 once again.
