Scripture & Questions

Monday Psalm 65:1-8

Question: After just one week with our focus on prayer, have you noticed a difference in your prayer life?

Tuesday James 5:13-18

Question: Have you ever felt the prayers of others for you in a time of need? When was that?

Wednesday Acts 4:23-31

Question: Prayer can do mighty things. Our passage from Acts this morning speaks about a building shaking as people were praying. Can you imagine what that would feel like, to have an experience like that? Maybe you had one that you would like to share...

Thursday Acts 2:1-4

Question: The day of Pentecost is certainly a conflux moment, where we are given the testimony of those who experienced this moment. Can you share a conflux moment that you have had?

Friday Romans 8:18-27

Question: Have you ever had a moment when you just didn't know what or how to pray? Paul tells us in Romans 8:26 that the Spirit will intercede for us, with groans that are deeper than words. Can you remember a time when this was true for you?

Saturday Matthew 5:13-16

Question: I truly believe we have conflux moments all the time, are we doing a good job of testifying about those moments? Can you share one with us today?
